# HOW DOES GOD SPEAK TO US?

How does God speak to us? He definitely speaks to us through His words. He has been known to speak through prayers, songs, and people. But have you considered that God may be speaking to you in your dreams?

In the Bible, the book of Job tells us in Chapter 33:14-18 that God speaks to us in dreams and visions and gives instruction through them. Thus, we must be aware that dreams are relevant to our lives.

Throughout the Bible, people were given warnings and instructions through dreams and visions, and this is still true today, for God “is the same yesterday, today, and forever” (Hebrews 13:8).

In many cases, there was a need for analysis for these dreams to be understood. That’s why it is important to understand that when God gives you a dream or a vision, it is His way of sending you a message.

God has blessed Ezra to give insight and understanding to the people for over 48 years across the USA, demonstrating that God-given dreams and visions do matter to God.

It is my desire that this dream analysis guide will be helpful to you and your family.

Keep in mind, however, that some dreams don’t require analysis.

# WHY DO WE DREAM?

**Job 33:14-18:**“ <sup>14</sup>For God speaketh once, yea twice, yet man perceiveth it not. <sup>15</sup>In a dream, in a vision of the night, when deep sleep falleth upon men, in slumberings upon the bed; <sup>16</sup>Then he openeth the ears of men, and sealeth their instruction, <sup>17</sup>That he may withdraw man from his purpose, and hide pride from man. <sup>18</sup>He keepeth back his soul from the pit, and his life from perishing by the sword.”

## **Job 33:23:**

“Yet if there is an angel at their side, a messenger, one out of a thousand, sent to tell them how to be upright.”

- God chooses to speak in His own way because He is the Alpha and Omega.
- It’s not just one way but through many choices and applications.
- The word “sleep” can also mean **to experience a very deep meditation.**
- My bed is a place of peace and rest.
- It is at that time that God fills and seals your instruction.
- God gives you answers to your problems through your dreams.
- The Hebrew meaning of “dream” is **to firmly bind.**

- The Hebrew meaning of “vision” is **to gaze upon**.
- I dream according to God’s word, information, instruction, and direction.
- God’s information, instruction, and direction are to eliminate my failures, disappointments, and death.
- God withdraws me from my purpose and brings me into a place of humility.
- God withdraws my soul from the pit and preserves my life for His purpose through His provision and powerful word.
- I move from the pit to the prison and from the promise to the palace because I was planted with the purpose of God’s plan for such a time as this.
- Dreams and visions come from God. The angels are the deliverers of the dreams and visions that are God's messages.
- When my purpose fits into God’s plan for me, then the word of God activates the promises through the Holy Spirit that will bring his provision, information, instruction, and direction.
- Your plan of execution is the key to your success.

- How well do you listen, yield, obey, and execute the plan of God?

# ABOUT THE AUTHOR

Ezra Leon Randle was born on October 24, 1958. In August of 1958, Ezra's pregnant mother, Ethel Lee Randle and 6 of her children were involved in a tragic car accident.

Though two of the siblings died in the crash, Ezra's mother being 7 months pregnant with him survived the crash because of the purpose and calling God had on his life.

At the age of twelve he would always see angels at his bed side. When Ezra turned 16, the ministry of analyzing dreams and visions came into operation. Through this ministry, countless of individuals have gained insight and meaning which has lead them to live purpose driven lives.

The following is that which Ezra expresses concerning the ministry God has given him. "It is my desire that you will allow God to lead and guide you during the course and journey of your life.

May the presence of God lead you to his love, obedience, Joy, peace and rest in the Lord. I have been analyzing dreams and visions for people for over 47 years around the country. Even though I have analyzed hundreds of dreams and visions, I am yet in training from God."
